# **STUDENT AID POLICY & REQUEST FORM**

Seventh-day Adventist parents/guardians who need assistance to meet their financial obligations are directed to their local church. Requesting such assistance is the responsibility of the parents/guardians and should be made to the pastor or church board of their local church. Parents/guardians should be advised that the process may take some time, therefore, they should begin this process as soon as possible.

Parents/guardians should not feel reluctant to make such a request since each Seventh-day Adventist Church is dedicated to Christian education and is committed to providing for the needs of its members as far as possible within the local church's worthy student criteria.

If your local church cannot provide sufficient financial aid to meet your needs, your local church will need to provide you with a letter to that effect. You will then need to forward that letter to us, as well as the request form. The request form can be downloaded from our Church Web Site at [pugwashdachurch.org](http://pugwashdachurch.org)

Thank you,

Pugwash SDA Church Board
